CITY EMPLOYEES GET SALARY RAISE

MAYOR GAGGERO SUBMITS BUDGET FOR CITY APPROVAL

City Taxes Are Expected To Drop For Next Year

Anticipated cash balance in Daly City's treasury on June 30, 1949, closely approximate that of June 30, 1948, although an increase of \$30,000 is appropriated in fiscal year's budget over last year's. The estimate given today night by Mayor Anthony Gaggero as he submitted his tentative budget to the city council approval. A cash balance of \$65,000 is expected when the 1947-48 books, which were audited yesterday, are audited.

Principal factors in the budget are salaries and new, unexpended items, as well as increased material costs for city departments. An increase of \$12,000 for salaries is the largest contributing factor in the budget's swelling. The Edgemar project demands a \$10,000 increase in operation and maintenance of the municipal water works. Another new item, \$1,200, be allocated for severance pay firemen, if and when the department formulates a system of retirement.

Sizeable increases are seen in water works and the street departments, principally due to expenditures for new equipment. The police department's estimated expenditures are up some \$3,000 in last year, while the police department, even with its higher salary schedule is being cut.

Estimated budget expenditures are set at \$350,471, while cash receipts from outside and local sources are anticipated at \$350,590.

City's tax rate, at the time it is scheduled for reduction, is the 1938 city hall ordinance of the 1938 city hall ordinance, which will bring the rate down from \$1.296 per hundred dollar valuation to \$1.242, including the state employees retirement fund and the 1941 Fire Department Improvement Bond fund.

Total appropriations from the general fund for fiscal 1948-49 are estimated at \$208,190. Reserve and special funds call for \$52,281. Estimated outlays from the general fund:

General administration, \$14,050; clerk, assessor and tax collector, \$11,625; city treasurer, \$1,000; city attorney, \$3,000; city engineer, \$1,500; city purchasing office, \$5,000; city hall and grounds, \$1,500; police department, \$64,500; city auditor, \$1,230; fire department, \$8,190; municipal water works — operations and maintenance, \$59,075; recreation, \$7,630; parks and playgrounds, \$12,620; streets, \$28,595; traffic signals and alarm system, \$560; building department, \$3,875; municipal garage, \$7,200; recreation, \$16,240; sonnel administration, \$750; baggage disposal, \$18,000; and war memorial site, \$16,000.

Outlay from reserve and special funds:

City library maintenance fund, \$10; fire protection fund, \$10; municipal bonds and interest, \$5,130; fire alarm system, \$1,000; employees' retirement fund, \$17,860; and water reserve fund, \$3,000.

Copies of the budget will be available for inspection in the office of the city clerk at city hall.

Mrs. Grace Hill Elected To State Office At Conclave

Mrs. Grace Hill has been elected grand trustee of the California division, United Ancient Order of Druids.

Election of the local woman to the state post came about last week at the state convention in Santa Barbara. Mrs. Hill was accompanied on her trip by Mesdames Martha Wagner, Winifred Evans and Lillian Felch, also of Hillcrest Circle.

The delegates returned Saturday.

Three Fined On Drunk Counts In Municipal Court

Two men were fined for drunkenness in or about autos, and one was penalized for disturbing the peace by William J. Sweeney last Friday in municipal court.

Charles Paoli, of 31 E. Moltke street, pleaded guilty to a charge of drunkenness in an auto and was fined \$100. The charge was reduced from drunk driving.

A fine of \$50 was levied on William Gomez of San Francisco, when he pleaded guilty to a charge of drunkenness in an auto. William D. Winland pleaded not guilty, but was convicted of disturbing the peace and drunkenness, in a complete signed by Irene Schmidt of the Imperial Grill. He was fined \$50.

Drunk driving charges against Albert Galli were continued to Friday for hearing.

Services Sunday At Ocean View Church

"God's Ultimate Purpose," will be the topic this Sunday of the Rev. Joseph H. Bennett's sermon at 11 a.m. services in the Ocean View Community Congregational Church.

Special music will be heard during the worship hour. A nursery is provided for small children during services.

Sunday school for all age groups is held at 9:45 a.m.

Appoint Colma Police Chief

Joseph Ryan, 42-year-old insurance investigator of San Francisco, was named chief of police of Colma Tuesday at a special meeting of the Colma city council.

Ryan was chosen from among 17 applicants to the post. He was to assume duties today, on the job vacated by the Memorial Day death of former Police Chief Joseph Reynolds. Joseph Cavalli, Colma cemetery worker, had been acting police chief since Reynolds' death.

Ryan, who has worked as an investigator for two San Francisco insurance companies since his discharge from the army, has had no formal experience in police work, according to John H. Price, Colma police commissioner.

He served, however, as a military policeman during the war, in the Panama Canal Zone, the South Pacific and Europe.

set up primarily for beginners, experienced folk dancers will be welcome.

Miss Kathleen Schreiber, folk dancing instructor, has issued a special invitation to children to attend folk dancing classes in Room A of the high school gym on Tuesdays and Thursdays from 10 a.m. to noon. Experienced dancers as well as beginners are invited to attend. Classes start Thursday, July 8.

Question: What does do-si-do mean? Come to next Thursday's class and get the answer.

For boys and girls who like to sing or act, whether or not they have extra talent, the department is sponsoring singing and dramatics classes in the high school music room Tuesdays and Thursdays from 1:30 to 3 p.m. See Miss Schreiber for information.

Construction Man Hurt Tuesday In Accident At Colma

Nels Strendberg, 32-year-old tractor driver, was in South San Francisco General Hospital today with serious arm injuries sustained Tuesday in an accident near Colma's city hall.

Strendberg sustained muscle injuries in his upper left arm Tuesday morning when the blade of a tractor which he was repairing dropped, pinning his arm to the vehicle. He was released from the tractor by Frank N. Scholler of South San Francisco, and Paul Von Kempf, local nursery worker, who heard his cries for help.

An employee of the Consolidated Construction company, Strendberg was repairing his tractor, parked behind the city hall, when the accident occurred. The Redwood City man was taken to the hospital in the Colma police car when an ambulance failed to arrive.

Philip G. Morales Awarded Scholarship To University Of Calif.

Philip G. Morales, of Daly City, has been awarded an alumni scholarship by the University of California, the university committee on undergraduate scholarships announced today.

This award is based mainly on scholastic achievement and represents a real distinction, the university announcement said.

Baseball School For Boys Next Week At Jeff

Boys — here is your chance to play baseball and to get expert coaching while you are playing.

Ed Cassilago, all-league college baseball player from San Francisco State College, will conduct a series of baseball practice sessions at the Jefferson High School diamond. Don't miss this opportunity to play and learn baseball. After a couple of sessions, a league will be formed.

Be sure to get in at the beginning so that you can get on a team. If you are already playing, get your team to take advantage of the practice sessions to pick up some pointers on how to bat, field, pitch, catch, throw, slide and run the bases.

Several teams have already signed up for the league.

Practice sessions will be held Saturday, July 3, from 10 a.m. to 11 a.m.; Tuesday, July 6, 2-4 p.m.; Thursday, July 8, 10 a.m. - noon; and Saturday, July 10, 10 a.m. - noon. Additional practices will be announced at next week's sessions.

For details, see Mr. Cassilago, baseball and playground director at the high school.

This is a wonderful opportunity for you, so don't miss it. Bring your glove along and join the fun.

59 Traffic Fines Levied Last Week In Muni Court

A total of 59 traffic fines—more than 80 per cent of them for speeding—was collected in municipal court during the week ending last Friday.

Violations of various parking ordinances brought fines from George Adlung, Dorothy Lacerda, Ernest Williams, John Clark, Raymond Pacheco, Hohmell Manufacturing Company, Charles Smith, Richard Sparks and George Peard. Ove Angsarius, John Miley, Roy Wolorinta, and Wilson Hopkins Jr. paid fines for violation of signal ordinances, while Emil Cafarella and Duncan Lowes were fined for faulty driving practices.

Speeding fines were levied on Ella Allan, Morton Bachrach, Alfred Ball, Dennis Bonner, Ronald Bamford, Pasquale Benvenuti, Doris Bourgette, Chester Boyer, Francis Downing, Eugene Durr, Leo Francesconi, Russell Fredrickson, John Grant, Allan Hetter, Richard Jahnke, Alex Kazakoff, Nick Tamaras, Everett LaPointe, Edward Letke Jr., Inez Lonella, Mario Vaire, Douglas Mirk, Robert Grado, Norman Reynolds, Albert Robertson, Ronald Rossa, Reddick Ross, Denise Russell, Hal Schepps, Jack Stockton, William Suggell, Milton Talhew, William Weigand, John Wood, John Worthington, Jeannette Zimmerman, Francis O'Keefe, William D. Gomez, Alan O'Hanlin, Bartolomeo Fabbri, Robert Gledhill and Stuart Welch.

Early in 1776, Thomas Payne published a pamphlet, "Common Sense," in which he incorporated all the grievances held by the 13 colonies against their Mother England. Its publication followed an act by Parliament prohibiting foreign trade with the colonies and providing that all ships engaged in colonial trade be forfeited with their cargoes as lawful prizes of war.

"I challenge the warmest advocate of reconciliation," Payne wrote, "to show a single advantage this continent can reap by remaining connected with Great Britain. Everything that is right or reasonable pleads for separation. The blood of the slain, the weeping voice of Nature cries, 'Tis time to part'."

"Common Sense" acted as a ferment upon the minds of the colonies. A movement for separation started in the south, where Georgia, South Carolina and Virginia instructed their delegates to concur with representatives of other colonies in declaring independence.

Accordingly, on June 7, Richard Henry Lee moved in Congress "That these United Colonies are . . . free and independent states; that they are absolved from all allegiance to the British Crown . . ."

On July 1, after almost a month's deliberation, Lee's motion was again brought up, and on the Fourth of July, Congress accepted a draft of the Declaration of Independence submitted by Thomas Jefferson. It was soon proclaimed throughout the United States, and everywhere was celebrated with bonfires, torchlight processions, the shooting of guns and the ringing of bells.

"The people," Samuel Adams said, "seemed to recognize the resolution as though it were a decree promulgated from Heaven."

CITY COUNCIL TAKES ACTION ON MANY MATTERS MONDAY NITE

A portion of the Abbey Homestead, comprising something over three square blocks adjoining Hillside boulevard on the eastern boundary of Daly City, was accepted into the corporate limits of the city Monday night in a resolution passed by the city council.

The annexation was approved unanimously, making blocks 11 and 12, and portions of 21, 22 and 23 a part of the city. Annexed territory lies between Hillside boulevard and Geneva street, from Thiers street to a point beyond Bismark.

Another annexation measure taken by the council at its open session Monday night was the reading of a list of suggested provisions in the draft of annexation provisions for the Doelger tract.

The list, submitted by Henry Doelger, was concerned primarily with changes in wording. A meeting was set for this week further to examine the provisions.

The council referred to the board of fire commissioners an eligibility list for the post of battalion chief, requesting a recommendation on the two appointments to be made. Announcing that Lawrence Kennedy had qualified first, August Benassini, second, and Tom Joyce, third, the group decided to request the civil service board hereafter to submit a breakdown of wrongs with a guy like Krohn behind the plate?

George Bournellis Pitches D.C. Win

Little Georgie Bournellis hurled his first game since he left pro baseball several weeks ago with chips in his elbow. It was a 7-2 victory over Gordon Realty, in which Bournellis allowed only five hits in the seven-inning game. George also belted a single with the bases loaded in the sixth, driving in two runs of a six-run rally. The Daly City Baseball Club was behind 2-1 when the little southpaw came to bat. When asked how he felt after the game, Bournellis said, "Great, but my arm gave me a little trouble. How can a guy go

Doelger Tract Equipped With Good Fire Facilities

Fire-fighting facilities in the vast Doelger development annexed to Daly City were reported in excellent standing this week by Fred Bertetta, chairman of the board of fire commissioners, and Fire Chief Elmer Kennedy.

In a letter received yesterday from Fred Bertetta, the councilman said:

"On Wednesday, June 23, in company of Daly City Fire Chief Kennedy, Assistant Chief Bodien, and guest Chief Gilligan of San Bruno Naval Base, I attended a joint drill of four companies at Henry Doelger's mill and lumber yard on Junipero Serra boulevard.

"An intensive drill and inspection tour was conducted, covering the standpipe installations, mill and storage sheds, power supply locations and disconnects, gasoline storage, entrance and exit facilities and street approaches. Particular attention was paid to typical hazards of this type of construction, sawdust accumulation and disposal and faulty machinery being most prevalent.

"The officers and men familiarized themselves with the fire fighting facilities in the Doelger yard, and found four hydrants conveniently spaced and served by a four inch tap to a San Francisco main on the west side of the Junipero Serra boulevard and two hydrants on the east side of Junipero Serra boulevard served by the Daly City water system.

"At the regular educational discussion following each joint drill the officers and men complimented the orderly condition of the plant and the precautionary measures taken in fire prevention procedure, and were most enthusiastic at the prospect of this large development becoming a part of Daly City which will no doubt be responsible for Daly City becoming the largest city in San Mateo county.

Sincerely Yours,
"FRED BERTETTA,
Councilman,
"Ch. Bd. Fire Commissioners."

CITY OFFICES, BANKS, LIBRARY CLOSED MONDAY

The police department will be the only city office remaining open Monday, when the city celebrates Independence Day. The Colma and Daly City branches of Bank of America and the public library also will be closed in observance of the national holiday.

In case of emergency, however, two maintenance men in the city's water department will remain on call at their homes. Bert Leary will be available at DElaware 3-7371, and Gus Ford at Juniper 7-2956, should emergency cases arise.

Several merchants also have declared their intention to close shop on Monday.

Schedule For Adult Recreation

The Daly City Recreation Department's summer program includes numerous activities for adults. The following schedule was released this week by Elman Rose, recreation director:

Tuesday — Physical fitness class for women, 7-9 p.m., high school gym, Room B; basketball for men, 7-9:30 p.m., high school gym.

Wednesday — Badminton for men and women, 7-9:30 p.m., high school gym.

Thursday — Basketball for men, 7-9:30 p.m., high school gym.

Friday — Beginners class in folk dancing, 7:30-10 p.m., Colma Community Center. The first class next week is open to all comers.

Sunday — Baseball games scheduled for 10 a.m., 12:30 p.m. and 3 p.m.

Swimming Monday through Friday from 7-9:30 p.m. Wednesday reserved for women only. Tennis—four courts available at the high school for recreational tennis.

Mitchell Badran Has Completed Training At San Diego, Calif.

Mitchell Badran, seaman recruit, U.S. Navy, has completed his recruit training at the Naval Training Center, San Diego, California. He is now home on recruit leave visiting his mother, Mrs. Ross Badran, of 73 Valle street, Daly City.

Mitchell was in Company No. 105 at the Naval Training Center and his Company won three barracks pennants during his training period. He was a recruit petty officer during his training, serving as right guide for his company. Young men desiring information

NEARLY ALL CITY WORKERS TO RECEIVE SALARY ADVANCES

Loretta Warchot Given Scholarship Award For General Excellence

A scholarship for "general excellence" in all phases of her work was awarded last week to Loretta Warchot, upon her graduation from St. James Girls' School in San Francisco.

Loretta, young daughter of the Louis Warchots of 3299 San Jose avenue, will attend Immaculate Conception High School on scholarship.

Police Department Commended On Juvenile Work

Members of the Daly City Police Department, most particularly Sergeants Roy Beecher and Roland Petrocchi, were commended this week in a letter from Mrs. E. Anderson and John Mongan, student counselors at Jefferson High School.

The counselors' thanks and praise was offered for the work done by the policemen in making the school's new adjustment committee program successful. Beecher and Petrocchi, together with representatives of the county juvenile department and the school counselors, were instrumental in carrying out a program of investigation and counseling designed to thwart delinquency among school children.

The letter, addressed to the Daly City Police Commission, said:

We wish to thank you and your department for the splendid cooperation extended to us in making our adjustment committee a success.

Sergeants Beecher and Petrocchi demonstrated marked ability in their understanding and sympathetic approach to juvenile problems. They helped us in every instance where help was needed.

We look forward to continued work in this field next semester. We believe that the people of Daly City are most fortunate in having officers possessing the high qualities that your men have demonstrated during the past year.

Blasting To Stop Until Injunction Trial Is Ended

Blasting operations in the Daly City Quarries were ordered ceased last Friday after a preliminary hearing on an injunction suit before Superior Judge Aylett R. Cotton.

The suit, which seeks a permanent restraining order against H. H. Smith, Floyd Hardwick and the Daly City Rock Quarry, was filed by Charles and Agnavei Lomini. Granted a permit to operate on May 24, the quarry company started blasting operations in its centrally located quarry on June 17.

Thomas L. Bocci, of the firm of Fahey, Bocci and Gallen, is attorney for the plaintiffs. After the hour-long hearing, Judge Cotton ordered that all blasting operations be stopped until conclusion of the trial.

El Carmelo Parlor To Install Officers Wednesday, July 7

Public Installation of Officers of El Carmelo Parlor No. 181, Native Daughters of the Golden West, will take place at 8:30 p.m. on Wednesday evening, July 7, in the Blue Room of the Masonic Hall on Hillcrest drive. At candlelight ceremonies, Deputy Grand President Dolores Bozzo of Bonita Parlor No. 10, Redwood City, will install the women who will lead El Carmelo Parlor for the next six months.

President-elect Lucille Wohler has appointed Christine Hulme and Marjorie Baker chairmen of the evening. A program of entertainment has been arranged, and refreshments will be served at the close of the evening.

about the wonderful opportunities the Navy offers can obtain same by dropping in at the Navy Recruiting Station, Redwood City, or calling Em. 8-1185, Redwood City.

General Trend Is From \$10 to \$30 Monthly Increase

Salary raises of from \$10 to \$30 for almost all city employees were approved Monday night by the city council.

Meeting in regular session at its city hall chambers, the council voiced unanimous endorsement of a new salary schedule submitted by the civil service board of review. Largest pay raises, \$25 - \$30 monthly — were granted in the police department, while \$20 raises were approved for senior and junior clerks.

Only the poundmaster's and tax collector's salaries remained static.

Three new salaries were provided in the city's volunteer fire department, in line with new classifications for the assistant chief, battalion chief and chief fire marshal posts. Under the new schedule, the fire chief's salary will be \$50; assistant chief, \$25; battalion chiefs, \$20, and chief fire marshal, \$20. A raise of approximately 25 cents per call was approved for fire duty.

The new schedule:

POLICE — chief, \$375; sergeant, \$315; patrolman, \$260-\$290; \$10 bonus monthly for motorcycle riders;

WATER — superintendent, \$370; assistant superintendent, \$300; maintenance man, \$245-\$275;

STREET — serviceman, \$240-\$270;

GARAGE — mechanic, \$300;

CITY HALL — janitor, \$200-\$240;

PARKS AND PLAYGROUNDS — gardeners, \$200-\$240;

CITY POUND — \$190-\$230;

EXTRA HELP — clerical, \$1.25 hourly; library, \$1 hourly;

WATER DEPARTMENT — senior clerk, \$190-\$225; clerk-cashier, \$170-\$200;

CITY JUDGE — senior clerk, \$190-\$225;

LIBRARY — librarian, \$200-\$240; assistant librarian, \$170-\$200;

CITY CLERK — senior clerk, \$190-\$225; clerk - stenographer, \$170-\$200;

TAX COLLECTOR — deputy, \$100.

A stipulation in the approved salary schedule provides that "no employee shall receive a cut in salary because of lack of service in position as of adoption of this schedule."

"HIM" GETS FREE RIDE ON BUS - -

Every dog has his day, they say; and this one was an extremely unusual one for a certain Boxer pup. The theory that animals are dumb holds no truth in this case. Did you ever hear of anyone getting to ride on a bus FREE of charge?

He did.

So the tail goes . . . on Monday, the 28th day of June, a municipal bus driver stopped at Rice and San Jose avenue. Before he could get the door closed (one of the old buses, you know) in jumped HIM.

Indifferent to where he was going, the friendly driver (hope he didn't lose his job for not collecting a fare) thought he would steer HIM to a likely spot. HIM remained a mascot at the Municipal Bus Depot at San Jose avenue and Geneva avenue, until his owner, E. W. Pierson of Garden Village, rescued him.

The day was saved. . . . HIM didn't ask for a transfer.

Frances Lewkowitz Wins Two Prizes In Beauty Contest

Two-year-old Frances Rose Lewkowitz, daughter of Mr. and Mrs. Joe Lewkowitz, is richer this week by two beauty awards — awarded to the young redhead last Thursday at the Disabled American Veterans' beautiful child show.

INDEPENDENCE DAY

The fourth day of July in 1776 was not just one day in our history—it was many days, many years, many struggles, many events, all leading to that great climax of the century—the Declaration of Independence.

The Declaration, then, did not mark the start of the fight for freedom but brought it into sharp focus. The fight had already been going on for decades in this country and for ages in other lands. It is still going on. True, the Colonists won their struggle for liberty. But succeeding generations have learned that each generation must win the struggle anew.

This effort does not always take the form of open warfare as it did in 1861, 1917 and 1941. More often it must be carried on through the implements of education to overcome intolerance, greed and fear—the deadly enemies of freedom.

In observing our Independence Day it is well that we contemplate not only the sacrifices and achievements of our heroes of history, but that we also earnestly consider the tasks ahead and the measures that will be necessary to preserve our form of government.

Let us remind ourselves that freedom is everybody's job. And let us do that job with all our might. Nothing is more worthy of the men who founded our Nation and those who have defended it through the past century and a half.

DEWEY AND WARREN

The Republicans have come out of their nominating convention in Philadelphia with a remarkable degree of unity and with one of the strongest tickets in many decades.

The nominees certainly give a perfect geographical balance with Governor Dewey representing the East and Governor Warren the West. There is also balance from the standpoint of their political views. Dewey is classed as a conservative, though certainly not a reactionary. Warren falls definitely into the liberal group. Both are supporters of the foreign aid program.

Some Democrats are already saying that having beaten Dewey once they can do it again. That can be put down as just so much talk. The Dewey of today is not the Dewey of four years ago. He is a far more seasoned and skillful campaigner now than he was in 1944. Besides, the split in the opposition gives him an enormous advantage.

But in spite of all this neither Governor Dewey nor Governor Warren will make the mistake of assuming that victory is in the bag. Such an attitude on the part of the candidates and on the part of their followers could leave them holding the bag next November.

Well, one team is on the field and the annual "fall madness" will soon be upon us.

THE BERLIN "SEIGE"

There can be little doubt now that Germany is going to be divided between the East and the West more or less permanently. The Russians want Berlin as the capital of this new satellite state of Eastern Germany. The French, British and Americans occupying roughly three-fourths of the city the Russians can hardly use it for that purpose. Hence the squeeze is being put on the other allies to force them out.

Having failed in their first attempt some months ago, the Soviets are now using the currency as a new excuse for putting on the pressure. This time they have become bolder in declaring that all of Berlin must accept the dictates of the Russian commander.

The blocking of rail traffic into Berlin to interfere with the power and food supply for the Allied section of the city, the threats of future reprisals against any German who accepts the new Allied currency—these are the Russian methods aimed at driving out their wartime friends.

But the Allies have no intention of budging. They know that to abandon Berlin would be a terrific psychological victory for the Kremlin. They know too that it would only increase the Soviet desire to make a further show of strength by attempting to force them out of Germany altogether.

General Lucius D. Clay, head of the American Zone, was not kidding when he said that nothing short of war could force the Americans out. Despite the fury of the Russian propaganda attack, despite their harassing tactics, we don't believe they are ready to risk war at this time to win Berlin.

SUB "KILLERS"

The far reaching improvements in undersea craft made during and since the war have resulted in a new surface ship to counteract the sub menace. It is a sub "killer"—a cruiser type of vessel with a speed of 30 to 35 knots. The first of its kind will cost almost \$27½ million and will be named the Norfolk. The development of this new ship is particularly significant in view of the fact that the Russians are now said to have a large undersea fleet. The Russians, of course, got most of their subs from the Germans. They now control Nazi submarine construction yards on the Baltic and will undoubtedly continue to increase their undersea navy. In addition to the new "killer" ship the U.S. Navy is also stepping up the speed on some of its destroyers to combat submarines.

... AND STILL CHAMPION!

Joe Louis is a remarkable "old" man. Although he has slowed down in recent years he still packs a wallop. Ask Jersey Joe Walcott!

He has defended his heavyweight title 25 times—almost as many as all the previous dozen or more champions since John L. Sullivan put together. And he's licked every challenger. That's a real champion.

Troup 106 Returns From Clear Lake

By R. G. Capps

Tired, tattered, and true, the Legion-sponsored Boy Scouts of Troup No. 106 returned Friday afternoon from a six-day camping trip. The campsite was two miles north of Clear Lake Oaks by beautiful Clear Lake. Leaving on the preceding Saturday night, the boys, nine in number, Scoutmaster Ralph Capps, and Assistant Scoutmaster Martin Pahlka traveled by truck to a point between St. Helena and Calistoga, where they camped for the rest of the night under an oak tree. The troop was up at the 5:30 reveille and soon was on its way to the destination which was reached at about 10 a.m. After pitching their pup tents in a semicircle, the boys went about making two fireplaces, one for each patrol, and with home made pots and pans, made their respective hot lunches. Thus began six days of fun, education, and adventure, in which was seen, among other wild life, two rattlesnakes, five deer, tens of squirrels, hundreds of baby frogs, thousands of lizards, and millions of mosquitos. The daily diary of the scoutmaster reads like this:

SUNDAY

After lunch we went for a swim and played water games. A budget was given to the two patrol leaders and they were on their own as far as menus, buying daily food, and running the patrol in general was concerned. A point system was established and each boy given 200 points with which to start.

With a fine dinner under our belts, after another swim, a late sunset, and a fireside ball session, the boys turned in for a good night's rest.

MONDAY

Phew! (To be continued tomorrow.)

TUESDAY MORNING

Yesterday we went on our 14-mile hike, a first class requirement. The scouts were sure that they had hiked at least 20 miles. We tramped through slash, swamps, stickers and burs, over fields, and finally reached the famous sulphur banks. It was hot and dry. The canteens were almost empty and we were all getting red from the sun. After lunch and a rest it was decided to continue across the sulphur banks to the "quicksilver" mine where samples of sulphur and quicksilver were obtained. The long journey home terminated, after a short rest, with a nice, big, thick milk shake, which really hit the spot.

TUESDAY NIGHT

Today we rented motor boats and toured the lake. An interesting looking island in the middle of the lake stirred the adventurous minds of the scouts, but since we knew nothing about it Mr. Pahlka and I decided to keep the boys away from it. When we came in I spotted a picture post card of the island—title, "Rattlesnake Island."

WEDNESDAY

Today was really an eventful

one. We had heard of a place on the other side of the lake called Soda Bay, where gas bubbled up in the middle of the bay. We drove to a place named Lakewood Resort and rented rowboats at a reduced fee. After a few rowing lessons we were out to the spot where the bubbles were really bubbling.

There were three sections commented off like baths. Each was bathed in by all of us, a very interesting experience. We rowed back and had lunch, after which some of the boys went swimming and two went fishing. Little Ray Magnuson twirled his line and cast it like an expert, but when Eddie Vranich tried to copy, his line snagged a tree and hooked into his right leg. Fish hooks, of course, cannot be yanked out. They must be pushed through, and since this one was deep and none too clean we took Ed to a doctor in Upper Lake. The process of removing the hook must have been very painful, but Eddie didn't so much as let out a peep. After a probe (cleaning and sterilizing) of the wound the doctor pronounced the scout ready for swimming or anything that he wanted to do, and Ed seemed quite proud that he had the biggest catch of the day. Upon our return to Soda Bay we found that the boys had caught 12 fish, all perch, and that Ray Magnuson had caught half of them. In the meantime the very cordial woman manager of the resort had made everyone at home, allowing them to use the game room, the raft, the shower, and treated them all to some ice cream. We owe many thanks to our friends at Lakewood Resort on Soda Bay.

THURSDAY

This morning I gave the boys some swimming and life saving instructions which they picked up quite rapidly. Every scout who came to camp can get along in water. Some of them, Norm Gady, David Barraza, and Bob Davis, for instance, are excellent swimmers.

As we left camp to get some groceries I spotted a rattlesnake in the middle of the road. After a quick vote it was decided not to have rattlesnake soup for dinner. This afternoon six of the troop went boating again while the rest of us went swimming. We haven't seen a cloud in five days. It would be sultry but for a light cool breeze from the lake.

As we piled into the truck little Ray, the fisherman, came running up with a black bass almost as large as he is. He had caught a four-pounder with a hook, a worm, and a short string. Next to Vranich's catch this was the biggest of the trip. It was also the last as we must return home tomorrow.

Anxious as we are to see our families and to show off our tans, another week of this outdoor life would have been readily accepted by each of us.

FRIDAY

We were up at the crack of dawn and soon on our way home. Troup No. 106 had left the camp in better shape than they had found it.

At Calistoga we saw the famed geyser in which Indians had bathed

Three-Day Holiday Entertainment Throughout State

The week-end traveler in California over the second three-day holiday of the season will have a gala time if events scheduled are any criterion. According to the Travel and Recreation Committee of the California State Chamber of Commerce a "glorious Fourth" will be provided for visitors and residents in scores of communities up and down the State.

Everything from sports events to this year's consistently recurring centennial observances is represented on the calendar. Parades, fireworks, historical pageantry, rodeos, water competitions, county fairs, beauty contests, dances, barbecues, horse shows and many more are listed below—take your pick and plan a trip!

Mt. Shasta Frolic, Mt. Shasta City, July 3-4

"Paul Bunyan's Fourth of July Celebrations," Fort Bragg, July 2-5

Willits 22nd Annual Frontier Days, Willits, July 3-4

Ukiah Fourth of July Celebration, Ukiah, July 3-4

Oroville Centennial Celebration at Bidwell Bar, July 3-5

Annual Motorboat Regatta, Marysville, July 4

Fourth of July Celebration, Lakeport, July 3-4

Napa County Fair and Horse Show, Calistoga, July 3-5

Valley of the Moon 4th of July Celebration, Centennial Bowl, Sonoma, July 2-4

Fourth of July Celebration, Fairfield, July 4

Annual Variety Festival, Vallejo, July 3-5

Each of us enjoyed the trip even more than we had anticipated and we are looking forward to our next outing.

The patrol leaders, in particular, are to be commended for their fine job of balancing the meals and the budget. It was a new experience for them and leaders David Barraza of the Eagle Patrol, and Bob Davis of the Flying Eagles did very well. Each of the other members, too, deserves high praise for his cooperation and efficiency, namely Eddie Vranich, Larry Adams, Harold Diamond, and Harold Mosman.

Junior Assistant Scoutmaster Norm Gady was often called upon to take charge of the troop, and to act as lifeguard. Assistant Scoutmaster Martin Pahlka drove the truck expertly, having had past experience in the East.

Daly City can be proud that Troup No. 106 wore its name on their shoulders, and so can the Boy Scouts of America.

Enlarged, Active Program Planned For Wilson PTA

An unparalleled program of parent education and active participation in student welfare interests is being charted for next year by the Woodrow Wilson Parent Teacher Association.

Placing the emphasis on progressive activities in the education field and somewhat lessening the importance of social details, the association's executive board met last week at the home of its president, Mrs. John Sorenson, to outline the coming year's program.

Among the activities which are expected to take priority over the lesser social functions are films on educational topics, student problem discussions, guest speakers and book reviews. More evening meetings are planned, to enlist the participation of fathers.

The meeting, called by Mrs. William Cheatham, program chairman, was attended by Mesdames Carl Berg, Sylvia Eastham, Sanford Larson, Al North, Melvin Olson and Harold Riley.

Naval Reserve Plan Cruises For High School Students

A two-week summer vacation, courtesy of the United States Navy, is available to 800 men of high school age.

The "vacation" is part of the Navy's latest training scheme in which the young applicants will get a taste of a sailor's life aboard a first-class fighting ship.

Called the Recruit Training Cruise, the program will encompass every phase of ship-board activity, including gunnery, engineering, communications, damage control, fire-fighting, and administration.

Designated as school ships for

the cruise are the 2,200-ton destroyers USS Colahan and USS Shields, both based at Treasure Island in San Francisco bay. The trainees, divided into groups of 160 men each, will live aboard the ships and will be instructed for ten days in shipboard duties. All training facilities of the Treasure Island base will be utilized during this period.

Grand finale of the program is a three-day cruise aboard the destroyers to the Monterey Bay area. At this time, the destroyers will maneuver under simulated war-time conditions and the guns will be fired.

Recreation during the period will include athletics ashore, several sight-seeing tours, and a "ship's dance" at the conclusion of training.

The Commandant, Twelfth Naval District, now desires applications for cruises starting July 25

Attorneys Take Active Leadership, Portola Festival

Prominent San Francisco attorneys are taking active leadership in organizing work for the Portola Festival and Pageant, which is to

be staged here from October 2 to October 25.

Judge Edward F. Murphy has accepted the post of chairman of the Pageant Committee and Jerome Politzer has been made chairman of the Wines and Food Committee.

Supervisor Marvin E. Lewis is the honorary chairman of the Board of Directors of the Portola Festival. Others on this Board and actively cooperating to assure the success of the undertaking are Judge Bradford Bosley, Marcos F. Gracia, Florence McAuliffe and William A. O'Brien. Walter H. Duane is serving on the Promotion and Publicity Committee.

The Portola Festival and Pageant will be one of the biggest celebrations ever undertaken in San Francisco. It is officially backed by the city as a non-profit enterprise. On the schedule of events for the twenty-four days of festivities will be almost everything in the entertainment line from various championship sports

contests to grand opera such as "Carmen" and "Barber of Seville." Included will be notable concerts, religious celebrations, folk festivals, exhibitions by the United States armed forces, fireworks displays, the Portola Regatta, a French Fashion show and a school band contest.

Climaxes will be reached in two huge parades, one on the afternoon of October 17 and a Grand Carnival Parade on the night of October 23. George R. Kelly, member of the State Board of Equalization, is chairman of the Parade Committee, and he has announced plans for making both processions surpass all previous ones here.

Commercial canning of salmon was resumed in California in 1947 after a lapse of 14 years.

San Francisco Bay was discovered October 31, 1769, by an exploring party headed by Don Gaspar de Portola.

LOW COMPRESSION

Worn automobile engine parts causing poor compression are often responsible for hard starting, according to the California State Automobile Association.

The detonation of the explosion of the volcano on Krakatoa in 1883 was heard 3000 miles distant.

Jeff Basketball League Is Now On Last Lap

by Ralph Capps

Such revoltin' developments while we were away on vacation. Since Tuesday, June 15, the only undefeated team in the league was dumped; and Johnson's Roofers were upset twice, to be dropped from the running. These unexpected occurrences twist the league into a first place tie between Speed Liquor and Conway & Culligan of Millbrae.

If each team wins its game to night (Thursday) there will be a playoff game at 7:30 Tuesday July 6, to determine the champion.

On Thursday, June 17, Cortesi forfeited to Visitation Valley and the South City Windbreakers defeated American Roof Maintenance. The following Tuesday the Windbreakers dropped the Alex Johnson five and Speed Liquor surprised by drubbing Conway & Culligan by 13 points. Last Thursday Colma B.C. won from Visitation Valley, and American Roofers downed Cortesi. In the Tuesday night games Colma B.C. and Alex Johnson's Roofers entered hibernation until next basketball season by dropping games to the Windbreakers and Visitation Valley, respectively.

The last game of the season, and most likely your last, will be an organized basketball game at Jefferson for a fund-raiser for the between Conway & Culligan and Alex Johnson's Roofers.

15 p. m. Meeting, Colma B.C. and Alex Johnson's Roofers, 1845 San Jose avenue.

8:30 p. m. Meeting, County of San Mateo, 1155, CDA, Masonic temple, 17 Hillcrest drive.

SPORTSMAN'S CALENDAR

The Division of Fish and Game reminds local sportsmen of the following regulations which apply to current hunting and fishing:

TROUT—May 1 to October 31, with exceptions. Limit: 15 trout, salmon, or Rocky Mountain whitefish in the aggregate, or 10 pounds and one fish. Angling hours: one hour before sunrise to one hour after sunset.

BLACK BASS—No closed season. Daily bag and possession limit: 10 fish, but not over 15 pounds and one bass in the aggregate. No minimum size.

SUNFISH, CRAPPIE, SACRAMENTO PERCH, CALICO BASS—No closed season. Bag limit: 25 fish of all species in the aggregate. No minimum size.

CATFISH—No closed season. Bag limit: 15 pounds and one fish in the aggregate, in the round. Night fishing prohibited. Angling license required.

SALTWATER SALMON—Ends December 31. Bag limit: three salmon. Size limit: 25 inches. Angling hours: one hour before sunrise to one hour after sunset. See abstract of angling regulations.

Speed Liquor next Tuesday. It will mean the championship and you can bet that it will be a do-or-die game between two fine teams.

County's Airport Facilities Are Inadequate

A survey completed recently by the Bay Area Aviation Committee reveals that airport development in San Mateo county is far behind comparative areas in California and throughout the country.

Findings of the aviation committee were submitted to the county board of supervisors last week in Redwood City. A letter containing conclusions of the committee's Peninsula advisory group was sent to Frank Skillman, secretary of the county planning commission.

Principal factor in the county's lag in airport development, according to the committee, is the absence of a master plan for aviation in the county. No results have been submitted by a committee the board appointed a year ago to

Renner Nine Wins Double-Header

The Walter Renner Real Estate nine copped a double-header last Sunday over Edgewater, on the Father Crowley playground.

Nick Petropoulos hit a home run with the bases loaded, to finish the first game with an 8-3 score. In the second, the boys defeated the Kiwanis with a 7-4 score. Petropoulos hit a run with two men on.

Dave Leon did a capital mound job in both contests. Harry Boyajian managed the team.

draw up such a plan.

Other obstacles in the way of adequate airport construction, the committee said, are:

A lack of suitable level land, lack of surplus army or navy fields, and inadequate facilities at the county's present airports.

WARD G. WALKUP

Ward G. Walkup, of San Francisco, member of the board of directors, who says this year's California State Fair will be the greatest since the opening fair in San Francisco in 1854.

County's Fiesta Postponed Until September 24

The 1948 San Mateo County Fiesta, previously scheduled for August 10, has been postponed tentatively until September 24, fair board officials announced this week.

George Lagomarsino, chairman of the board, said the horse racing events slated for August 10-20, would be held at the scheduled time so any profits earned may be held over toward construction of the second building of the planned \$3,000,000 project.

Reason for the postponement, the board spokesman said, was partly to allow additional time for completion of the main fair building now under construction.

Foundations for the exhibition building, already have been installed. Announcements last week

St. Michael's Church To Be Scene Of Whist Party Next Wednesday

The monthly whist party sponsored by the Catholic Ladies Aid Society of St. Michael's Parish is slated this month for July 7 at 2 p. m. It will be held in the church social hall on Broad street.

Chairman of the affair will be Mrs. J. Kelly, assisted by Mesdames A. Gearthy, C. Guerline, M. Griffin and M. Hanley.

MODESTO NAMED

Modesto, county seat of Stanislaus county, was almost named Ralston in 1870, for a pioneer banker who modestly declined the honor. It was thus that "Modesto," Spanish for modesty, became the name.

disclosed that the Chico - San Mateo Air Races of last year may be repeated in conjunction with this year's Fiesta, and a statewide folk dance festival will highlight this year's event.

**Boys Club
Game To
Mateo Team**

Eight little Daly City boys nine bowed to the ad cleaners of San Mateo today, but not without a merry-go-round the end up 12 to 10 in favor of Mateo boys.

ame in which 16 S.M. and players participated, was at the Jefferson diamond. The first of a home and the next game will be in July 11 at San Mateo. Kowitzi Jr. pitched the firsts and was relieved by skins in the fifth.

ns is "a comer," according Jay Johnson. The boy might he wouldn't like base- gged a double and two ast Sunday, made two un- putouts, and looked very g on the mound; all in gs.

ys will be sporting brand forms at their next game. Daly City merchants ight 24 complete uniforms. They are gray with blue on the front, and white with blue trimming on the sox and caps are also Johnson and his boys is-

**Goings On At
The Playgrounds**

CROCKER - Eina Eichen
Arleen Pool leads the paddle tennis tournament at Crocker playground this week with Dave Martine, Bob Stone and Maxine Faulk making their bids for second place.

In checkers, Alfred Perry recently walked off with five straight victories in two days. Other runners-up in the red and black at Crocker are Elizabeth Eschenauer, Phyllis Blackburn, Jane Hermann and Pat Phillips.

Jimmy Hermann, boy soprano, is now warbling in the Crocker community singing program each week. Other voices are those of Merrilee Faulk, Billie Bricker and Sandra Taylor.

Tuesday, Martin Verece gave a steel guitar concert for fellow playground frequenters.

LINCOLN - Jack Root
The Lincoln playground opened to the public for the summer program Monday, June 21, under the leadership of Jack Root, Lincoln's new playground director. There was a good turn out of both boys and girls. The children showed great interest in the new director and in his program of activity.

During the opening week many activities were carried on. The small children delighted themselves playing on the swings, playing with checkers and with soccer and basketball. The older girls played volleyball, basketball, paddle tennis and checkers. The older boys participated in many activities. Although they showed much interest in touch football, basketball, kickball, volleyball and paddle tennis, they were especially interested in softball. Three softball teams were organized and some practice games were played.

The Moles and the Wolves split a double-header on Thursday. The Moles won the first game 6-3 and lost the second game to the Wolves, 3-2. The Wolves played the Panthers on Friday and trounced them 9-5 and 7-1. The first ten leading batsmen, according to batting averages compiled by the director, are:

**Mrs. Bill Freeman
Home On Visit**

Pretty Mrs. Bill Freeman, known as "Ginny" to we locals, was home from Yakima for a few days this week, while her husband, pitcher Bill Freeman, was in Can- ada with the Yakima Packers. Gin- ny looked wonderful and was hap- py to see many of her friends.

Bill and Virginia are both pop- ular graduates of Jefferson Union High School where Bill was the outstanding athlete of 1942-43. Mrs. Freeman stayed at the home of her grandparents, Mr. and Mrs. James Thomas, 143 Moltke street, where she also visited with her parents, Mr. and Mrs. John Red- linder. Ginny reports that her hus- band is feeling fine and doing well. His record is six wins and three losses now.

A few nights before his latest victory last week, Bill was called upon to pinch hit for the pitcher. With his team behind by one run Freeman laid the hickory into a fast ball and it streaked into cen- ter field while two runs crossed the plate to end the game.

In his next appearance a few nights later, he had pitched a swell game, but was behind by two runs.

Tournaments are being started this week in checkers, basketball free throws, horseshoes, and paddle handball. Intramural basketball games will be played this week. Up to now, there are three teams formed: The Wolves, the Moles and the Almagos. **JEFFERSON ELEMENTARY - Bever Clement**

The kids of Jefferson Elementary playground are busy practicing their tennis strokes in preparation for the paddle tennis tournament that will be run off Thursday. It's bound to be a thrilling contest from start to finish, with such top notchers as Sam Biancuana, Jose Ordonez and John Seutito in the "AA" division, and Bob Giori, Ario Gregorio, Tom Ryan and Carl Firpo in the "A" division.

Friday morning our playground will play host to the Lincoln playground softball team. Our team has high hopes of coming out victorious—hopes certainly justified with such a fast, sharp in-field and of course with Donna Schudler and Albert Faggone sharing honors on the mound.

JEFFERSON HIGH - Mary Falbo

This Wednesday the boys and girls of Jeff High Playground plan to bike to Thornton Beach for their outing. The boys and girls are busy repairing bikes and coasters, etc., to enter them in the Vehicle races which will take place a week from Friday.

Badminton will be given for the benefit of older boys and girls on Tuesday and Thursday, from 1:30 - 3 p.m. All equipment will be furnished.

Tennis classes will also be held for both boys and girls on Friday only, from 1:30 - 3 p.m. Baseball school will be held at the high school on Tuesday, Thursday and Saturday mornings. All boys are invited to attend.

Education Groups Hold Conferences On Child Guidance

Guidance, character, and family life were chief topics at the closing sessions of the Home-School Relationships Conference held earlier this month at International House, Berkeley. Co-sponsored by the State Department of Education, the School of Education of the University of California, the California Teachers Association, and the California Congress of Parents and Teachers, the conference set the pattern for a series of similar conferences to be held in local communities throughout the state.

"This conference is another indication of the way home, school, and community are being drawn more closely together than ever before, to pool suggestions and to assist educators to provide effective school programs," said Mrs. G. W. Lühr, president of the California Congress of Parents and Teachers.

COURTESY HELPS

Less speed and more heed to the courtesies of the highway is recommended as a means of reducing traffic accidents.

June Enlistees May Select School For Navy Training

During the month of June, qualified high school graduates who join the navy may choose any one of 28 different technical schools and be assured of specializing in that skill during their three years in the navy.

After June 30, assignment to these schools will be on a quota basis. Phone your navy recruiter for a list of these schools: Surveyor, Draftsman, Electrician, Radarman, Submarine, Electronics Technician, Diesel Repair, Airman.

"Loan Closet" Is Established By Cancer Society

Establishment of a "loan closet" to supply sick-room equipment for the home care of needy cancer patients in the county was announced today by the San Mateo County Branch of the American Cancer Society.

The new service is similar to other "loan closets" maintained by the society in many cities throughout the country, according to Mrs. Ralph J. Tucker, county commander. A limited number of hospital beds are available. Mrs. Tucker said as well as other articles needed in home nursing.

It is planned to build up the "loan closet" over a period of time. Persons wishing to borrow, or those wishing to give sick-room equipment, should call the local headquarters of the San Mateo County Branch of the American Cancer Society, 1000 Broadway, San Mateo.

V.F.W. Delegates Return Sunday From State Meet

Delegates to the state convention of the Veterans of Foreign Wars Auxiliary returned last Sunday after a busy week of meetings and reports from Los Angeles.

Mrs. Hatt, Bonnie Ellenwood, and McKittick and Mae Hatt, delegates, marched in Saturday's parade through Los Angeles. The parade was a four-hour procession, which marked the 40th anniversary of the founding of the V.F.W.

During the convention, Mrs. Hatt was elected department banner bearer for the State of California. The delegates brought back with them a citation for 100 per cent paid-up membership in the Old Glory Auxiliary.

While in Los Angeles, the ladies were guests of Mrs. Hatt's brother, Gordon Waldon, at a game in Hollywood Bowl. Waldon is pitcher for the San Diego Padres. He has signed his intention to join the Old Glory Post, V.F.W., when the Padres arrive in San Francisco this month for the Seals games.

Cavalry Men To Interview Prospects Here

Special representatives of the Eighth Army's 1st Cavalry Division, recently returned to the United States for an extensive tour of the eight western states, arrived in San Francisco on June 28 for a five-day visit.

With headquarters established at 428 Market and 2399 Mission streets in San Francisco, they will discuss direct assignment opportunities in the 1st Cavalry with young men interested in qualifying for such duty.

Seven of the main camps on Japan's Honshu Island, occupied by men of the 1st Cavalry Division, are named in honor of heroes who lost their lives in World War II. Camp Drake, their headquarters, got its name from Col. Royce A. Drake, first officer to receive the Silver Star awarded posthumously, in the Leyte campaign.

Fifth Cavalry regiment units are stationed at Camp McGill, named in honor of Sergeant Troy A. McGill, who single-handedly charged the enemy with his gun used as a club, after his ammunition was gone. McGill was the first World War II soldier in his division to receive the Congressional Medal of Honor, awarded posthumously.

Named after Private Nelson D. Palmer, killed in the Philippines in 1945 and recipient of a posthumous Silver Star award, Camp Palmer, a former Japanese cavalry school, now houses troops of the 2nd Brigade. Also occupied by troops of this brigade is Camp King, which received its name from Lt. Col. Raymond F. King, who met death at Luzon the same year.

Artillery troops of the 1st Cavalry Division occupy Camp Bender, Camp Drew and Camp Whittington, the first deriving its name from a colonel who was killed in action in Europe while serving with the Ninth Division.

Camp Drew honors a soldier killed in action by machine-gun fire in Manila — Private Edwin P. Drew, while Camp Whittington is named for Pfc. Jeffton C. Whittington, who lost his life at Luzon.

Application forms and additional information will be supplied to the Veterans Service Office located at the Courthouse in Redwood City about August 1, 1948.

Crater Lake

Two thousand feet deep and resting in the caldera of a pre-historic volcano, Oregon's Crater Lake is the deepest lake in the United States.

46% Of Naval Officers On Active Duty Are Veteran Navy Men

Nearly half the regular navy officers on active duty today have had previous enlisted service, tabulations show.

Of 36,737 regular navy officers now on duty, 13,915 (or 46%) have served as enlisted men. Not included in this figure are those holding permanent commissions before December 1941, or Reserve officers permanently commissioned in the regular navy who had previous enlisted service.

It is expected that 320 regular and reserve enlisted men will be appointed to the Naval Academy by the Secretary of the Navy this year. These will be in addition to the 276 candidates recently selected from active duty enlisted personnel.

529 Farm Units Opened To Veterans Of World War II

Floyd D. Granger, San Mateo County Service Officer, announced today that 529 individual farm units in the west will be opened to veterans in the very near future for homesteading purposes.

Land to be distributed among veterans includes 86 farms in the Tule Lake Division of the Klamath project in California and Oregon; 16 farms in the Roza Division of the Yakima project in Washington; 75 farms in the Yuma Mesa Division of the Gila project in Arizona; 40 farms in the Fayette Division of the Boise project in Idaho; 16 farms in the Gooding Division of the Minidoka project in Idaho; 77 farms in the Heart Mountain Division of the Shoshone project in Wyoming; and 210 farms in the Riverton Division, Wyoming project.

Veterans will have a 90-day preference for filing applications for the 49,176 acres, Granger said. In order to qualify, veteran applicants must have agricultural experience and must have adequate capital to work the land.

Farms to be opened to veterans will be awarded to veteran applicants at public drawings which will be held after public notices have been sent to those veterans whose names are on file with the Bureau of Reclamation.

Application forms and additional information will be supplied to the Veterans Service Office located at the Courthouse in Redwood City about August 1, 1948.

Crater Lake

Two thousand feet deep and resting in the caldera of a pre-historic volcano, Oregon's Crater Lake is the deepest lake in the United States.

PETE ALSO SAYS: No need to be wary about our fine foods, your appetite for them will be well pleased at all purchases. See us for Idaho Fed Beef, fine fruits, vegetables, canned goods, Fish, Poultry and Frozen Foods.

"Martin for me!"

Says: MAX MOHRING

22 Valley St., San Francisco

S. F. Striped Bass Club,
affiliated with Associated Sportsmen of California

Martin Motor Company
Eau Claire,
Wisconsin

Dear Sirs:

After years of fishing, I thought I'd seen just about everything an outboard motor could do, but I'm writing to tell you that I've never seen anything like the performance of your Martin "60." I've tried my Martin "60." I've tried it in all kinds of conditions and in all kinds of weather, and I've never had weather, more dependable performance from any motor. It's never once flooded or stalled--and as for pickup--well, I can crawl along at a mile-an-hour, trolly speed and then accelerate without a sputter. As I say, I've tried them all--but from now on it's nothing, but a Martin for me. I just thought sportsman feels about your motor.

Very truly yours,

Max Mohring

Fathers Invested Into Scout

Fathers were invested into Scouting last Thursday at the spring meeting of the Daly City Colma - Bayshore Girl Scout Association in the Parkview Scout house.

Readeau, Raymond Pabst, Kramer, Jim Hamilton, Wil Haynes and R. L. Crane became members of the club, in an investiture ceremony conducted by Mrs. Helen Gould, executive director of the area.

The men will serve principally as capacity of camp directors. The meeting was conducted by Stella Jensen, Mrs. Willard, all, president of the San Francisco Council and guest speaker, and the recent regional planning conference at Astoria.

According to a report delivered by Cora Oberg, camp chair, 52 girls now are registered for attendance at the Girl Scout camp, 33 for day camp.

Readeau, chairman of the camp, extended his thanks to the organizations for their contributions:

Out Leaders' Association, Daly City Council, Lions Club, San Francisco, Native Daughters, Legion Auxiliary, Daly Mothers Club, Rod and Gun Club, V.F.W. Post, and Eagles.

Photographs of the May Day and Parade were shown by Mr. and Mrs. A. Schultheis.

D.C. Cleaners Starts French Laundry Service

A French laundry service, providing pickup and delivery service anywhere in Daly City or Colma, was instituted this week by the Daly City Cleaners.

The new service is the first limited one of its kind ever started in Daly City, according to Hal Willis, proprietor.

Henceforth, such delicate articles as lace curtains and bedspreads may be handled with the intricate care of a French laundry.

Mary G. McLellan

Mary Garret McLellan, 70, widow of the late E. W. McLellan, founder of the largest nursery company in Colma, died Sunday night in a San Francisco hospital.

A native of San Francisco, Mrs. McLellan had made her home in San Mateo county for many years. Her husband, whose family had resided on the Peninsula for more than a century, founded one of the Peninsula's largest nurseries and was known as the world's record gardener.

Survivors include three sons, Wakeman, Roderick and Edgar McLellan; five daughters, Mrs. William Whaley, Miss Edith McLellan, Mrs. Eleanor Merritt, Miss Helen McLellan and Mrs. J. H. Herriott; a brother-in-law, Dr. A. D. McLellan; 11 grandchildren and three great-grandchildren.

Funeral services will be held Saturday at the N. Gray Funeral Home in San Francisco.

Miss Alice D'Isop And Donald Johnson Wed In Burlingame

When Miss Alice D'Isop and her brother, A. A. D'Isop, walked down the aisle of the Grace Lutheran church last Saturday to meet Donald Johnson at the altar, they were preceded by a quartet of attendants in white and red.

The bride, daughter of the A. D'Isops of 884 Templeton avenue, wore an ivory satin gown with a fitted bodice and sleeves. A row of seed pearls lined her boat neckline and crown which held her net and veil. Her flowers were white and blue.

Miss Anita Lehigh, maid of honor, was crowned in peach blossom and carried deep peach and red begonias. Bridesmaids Ha-Hendrickson, Louise Ross and Mary King wore identical gowns of pale green, carrying similar bouquets.

After Johnson stood as best man for his brother, while Chris, Bob Underwood and Jim Gray performed ushering duties, the home and garden of the V. Gray home in Belmont were scenes of a wedding reception for the ceremony. Johnson's uncle and aunt were hosts. Mrs. Gray had a beige suit dress with black accessories for the occasion.

Mrs. D'Isop wore navy blue with pale pink complements. Johnson wore a corsage of pink baby's breath.

Johnson, an alumnus of Jefferson High School, was graduated last year from San Mateo Junior College. Her husband, also a graduate of S.M.J.C., is presently attending Santa Clara University.

After a two-week honeymoon at Lake Tahoe, the newlyweds will move to their home in Belmont.

COWBOYS AND INDIANS

Van Johnson, as a dangerous redskin, whoops it up with some other "Indians" in one of the hilarious moments of "The Bride Goes Wild," M-G-M's pell-mell comedy-drama which is garnering plenty of laughs on the Crest screen starting Sunday. June Allyson co-stars, with Butch Jenkins, Hume Cronyn and Una Merkel in the all-fun cast.

The 11th Airborne Division, whose present occupational responsibility is the island of Hokkaido in Japan, is composed of a glider infantry regiment and a parachute field artillery battalion. Men who can qualify for this tough, exciting duty will receive their training in Japan, and are entitled to a 20 per cent boost in base pay for overseas service plus a \$50 a month pay increase for being airborne soldiers.

Members of the 11th Airborne were tagged "The Angels" by Major General Joseph M. Swing, their commanding officer, during the

Ordinance No. 278

ORDINANCE APPROVING THE ANNEXATION OF THE HEREINAFTER DESCRIBED TERRITORY DESIGNATED AS "PORTION OF THE ABBEY HOMESTEAD ASSOCIATION" TO THE CITY OF DALY CITY

The Council of the City of Daly City does ordain as follows:

WHEREAS, under the provisions of that certain Act of the Legislature of the State of California, approved May 29, 1939 (Statutes of 1939, Chapter 297, page 1567) proceedings for the annexation to the City of Daly City of the territory hereinafter particularly described have been initiated by the STERLING BUILDING COMPANY, a limited partnership, the owner of property in said territory proposed to be annexed; and

WHEREAS, said territory hereinafter described and proposed to be annexed to the City of Daly City is entirely uninhabited and is contiguous to the limits of the City of Daly City and is described as follows:

BEGINNING at a point on the present corporate limits line of the City of Daly City, said point lying at the intersection of the Southern line of Thiers Street with the Eastern line of Geneva Street as shown upon "Map of the Lands of the Abbey Homestead Association", a copy of which is filed in the office of the Recorder of San Mateo County in Book 1 of Maps at Page 14; thence from said point of beginning Southerly along the Eastern line of Geneva Street to the common line between Lots 1 and 2, Block 20, of the said Abbey Homestead Association; thence Westerly to the Eastern line of Hillside Boulevard at its intersection with the common line between Lots 1 and 2, Block 23 of the said Abbey Homestead Association and the present Corporate Limits line of the City of Daly City; thence along the said present Corporate Limits line Northerly along the Eastern line of Hillside Boulevard, Easterly along the Southern line of Bismark Street, Northerly along the Eastern line of Abbot Avenue and Easterly along the Southern line of Thiers Street to the point of beginning; and is designated as "Portions of the Abbey Homestead Association".

WHEREAS, the Council of the City of Daly City did by Resolution No. 1030 give notice of such proposed annexation and did fix Monday, the 7th day of June, 1948, at the hour of 8:00 o'clock P.M. of said day, at the Council Chambers in the City Hall, Daly City, California, at the day, hour and place when and where any person owning real property within such territory so proposed to be annexed and having any objection to the proposed annexation could appear before the City Council and show cause why such territory should not be so annexed as proposed in and by said Resolution No. 1030; and

WHEREAS, upon the order and direction of the Council of the City of Daly City, the City Clerk of the City of Daly City did cause a copy of said resolution giving notice of such proposed annexation to be published at least once a week for two successive weeks prior to the day fixed for hearing in the Daly City Record, a newspaper of general circulation, published in the City of Daly City, the municipal corporation to which it is proposed to annex the hereinbefore described territory; and

WHEREAS, it appears from the affidavit of Harold P. Bradshaw, Publisher, that said notice was so published in said Daly City Record once a week for two successive weeks immediately prior to said hearing; and

WHEREAS, it appears that the date set for hearing was not less than fifteen nor more than forty days from the date of the passage of said resolution giving notice of the proposed annexation of the hereinbefore described territory to the City of Daly City; and

WHEREAS, a newspaper set for said hearing, to-wit: the 7th day of June, 1948, at the hour of 8:00 o'clock P.M., no objection of any kind was made to said proposed annexation by and no owner of property within the territory proposed to be annexed filed or made any written protest against such proposed annexation;

AND WHEREAS, said City Council has now acquired jurisdiction in said matter;

NOW THEREFORE, the Council of the City of Daly City does ordain as follows:

SECTION 1. That the annexation of the territory herebefore described, which territory is contiguous to the limits of the City of Daly City, is hereby approved and said territory herebefore described is hereby annexed to and declared to be a part and portion of the City of Daly City, a municipal corporation situated in the County of San Mateo, State of California.

SECTION 2. This ordinance shall take effect and be in force from and after thirty (30) days after its passage and adoption. SECTION 3. Immediately upon the within Ordinance becoming effective the Clerk of said City of Daly City shall make under the seal thereof, and transmit to the Secretary of State a certified copy of this ordinance giving the date of its passage, and shall file in the office of the Recorder of the County of San Mateo an affidavit stating that all requirements of the law pertaining to such proceedings have been complied with, and shall accompany said certificate with a certified copy of the boundary description of said annexed property as set forth in such proceedings, and also a map delineating such boundary, in accordance with

"VEHICLE WEEK" IS THE NEXT FEATURE FOR D. C. REC. PROGRAM

Next week is "Vehicle Week" in the Daly City Recreation Department's summer program, with vehicle races in all categories to be featured in the week's schedule.

Because of the holiday Monday, and an expected drop in attendance because of week-end vacations, the day's recreation program will be altered. All of the playgrounds except Crocker will remain open for supervised free play during the day. The gymnasium, however, will be closed during the evening.

Movies will be shown in the high school auditorium from 10:30 a.m. until 12:30 p.m. Tuesday. Pictures to be shown will include episodes 3 and 4 of the serial, "The Adventures of the Flying Cadets"; "Speeding," a one-reel film on midjet auto racing; a one-reel community sing film; a color cartoon, and a two-reel motion picture, "Mickey McGuire," starring Mickey Rooney.

Baseball school is slated from 2-4 p.m. at the high school diamond. Arts and crafts will be given at the same time in the Parkview crafts center.

Folk dancing for girls and boys will be available in the high school gymnasium, Room A, from 10 a.m. until noon. Girls and boys singing and dramatics classes are held at 1:30 p.m. in the music room at the high school.

From 1:30 until 3 p.m., badminton classes for both girls and boys will be offered in the high school gym. Swimming instruction will be available in the high school pool from 2:40-3 p.m. and from 7-9:30 p.m.

The all-city outing to Fleischacker Zoo is scheduled for Wednesday. Sign-up at any playground. Permit slips must be signed by a parent and returned to the playground director before the outing.

Arts and crafts instruction will be offered from 10:30 a.m. to 4:30 p.m. at the Peoria crafts center on Peoria street, just south of Evergreen.

Most of the playgrounds will be supervised for regular activities. Swimming will be available from 2-4:30 p.m. and from 7-9:30 p.m. for girls and women only.

Baseball school will be held from 10 a.m. until noon on Thursday, at the high school diamond. First tumbling classes for boys will be held from 2-3 p.m. in the high school gym, Room B. Folk dancing for girls and boys will be taught from 10 a.m. until noon in Room A.

Singing and dramatics sessions are slated for 1:30 p.m. in the music room, while arts and crafts will be offered from 10:30 a.m. to 4:30 p.m. at the Peoria crafts center. Badminton instruction will be given for girls and boys from 1:30 p.m. until 3 p.m. in the high school gymnasium.

Swimming will be held from 2-4:30 p.m. and from 7-9:30 p.m. Individual playground vehicle competitions will be held in preparation for the all-city vehicle day.

The vehicle day program will start at 10 a.m., with competitive races for all ages. Races will include bicycles, coaster wagons, scooters and yes, even tricycles for the younger contestants. Awards will be given for best decorated vehicles, as well as race winners.

Arts and crafts instruction is slated for 1:30 p.m. to 4:30 p.m. at the Parkview crafts center near Marchbank Park. Baseball school will be held from 2-4 p.m. on the high school diamond.

Tennis classes for boys and girls will be offered at 1:30 p.m. on the high school tennis courts. Bring your own tennis racquets. Swim-

15 D.C. Musicians Will Appear In Hollywood Bowl

Hollywood, Calif. — Daly City will be represented this year when an estimated 3700 Junior Musicians of America assemble in famed Hollywood Bowl August 15 for their annual concert sponsored by The National Institute of Music and Arts. This yearly pilgrimage of Junior Musicians of America was halted by the war and is being re-instituted this summer. An estimated 15 Junior Musicians from Daly City will take part in this concert.

Michael Wexler, music instructor at Daly City, added that this figure may be increased. Some of the students already planning to attend include:

Jerry Rosenberg, son of Mr. and Mrs. A. M. Rosenberg, 973 Brunswick street; Wauneta Vele, daughter of Mr. and Mrs. Harvey G. Vele, 132 Los Olivos; Robert Mertens, son of Mr. and Mrs. Florence Newby, 5200 Lugo avenue; Mickey Matusz, son of Mr. and Mrs. C. J. Matusz, 1000 Coma avenue; Bertie Kenna, son of Mr. and Mrs. E. J. Kenna, 412 Bellevue avenue; Marcia Golden, daughter of Mr. and Mrs. E. F. Golden, 49 Mendenhall drive; Lee Strawn, son of Mr. and Mrs. C. N. Strawn, 109 Genesee street, San Francisco; Madeline Bauer, daughter of Mrs. Lorena Bauer, 764 Templeton; and Iwonne Lowensky, daughter of Mr. and Mrs. Peter Lowensky, 320 Hearst avenue, San Francisco.

This will make the 15th annual concert to be held by Junior Musicians of America. Previous concerts have been conducted with as many as 5,425 students taking part.

"Scene of the concert will be familiar to many of our citizens," said Wexler. "The Hollywood Bowl, the world's largest natural amphitheater and one of the cultural centers of the movie capital. Right there, entering through shaded Pepper Tree Lane, have trod the inspired and the renowned musicians from all the continents of the world. We are proud that representatives from Daly City will have the opportunity to appear here."

VAPOR LOCK
When an automobile motor quits suddenly on a mountain grade or refuses to start after a short stop on a hot day, the trouble may be vapor lock, a condition which may be caused by a faulty fuel system.

The California State Automobile Association, The immediate cause is to vent for the motor to dissipate the gas vapor from the fuel lines. A permanent remedy is to have a mechanic should be called in to check the fuel system.

Swimming will be available from 2-4:30 p.m. and from 7-9:30 p.m. Basketball will be played from 7-9:30 p.m. in the high school gym. The Bellevue recreation hall will be the scene of a night's teen-age dance, from 8-10:30 p.m.

Baseball school will be held from 10 a.m. until noon on Saturday. Swimming instruction will be available from 2-4:30 p.m.

These playgrounds are supervised from 10:30 a.m. to 5 p.m. daily except Sunday. Crocker Elementary School, Crocker Playground, Marchbank Park, Jefferson High School and Jefferson Elementary School. Consult the directors and the bulletin for details of activities.

Lorraine Sanders To Wed Robert Suber Next Month

Mr. and Mrs. Remi Sanders this week announced the coming marriage of their daughter, Lorraine Marilyn, to Robert D. Suber, son of Mr. and Mrs. H. T. Suber, of Sacramento. The wedding has been planned for August 14.

Lorraine attended Daly City schools, and served as playground director at Jefferson Elementary School last summer. The young couple met while attending San Francisco State College. Previously, Robert attended school in Sacramento. He served three years in the Army Air Corps as a navigator, before entering State College.

On Sunday, June 20, Lorraine was honored at a formal garden reception at the home of Mr. and Mrs. Suber, 1150 Marian Way, Sacramento. Many guests were present to greet the engaged couple. Refreshments were served in the garden patio. The parents of the bride-to-be were also present.

Alice Smith Weds Neil Rulison In Informal Rites

Alice E. Smith, daughter of Mr. and Mrs. A. Forest of 599 Niantic avenue, became the bride of Neil F. Rulison of San Francisco this week in an informal ceremony in Contra Costa county.

The bridegroom, son of Mrs. Louisa Rulison, resides at 3934 25th street, San Francisco. The young newlyweds will make their home there after a brief honeymoon trip through northern California.

New Arrivals

To the wife of Stanley A. Peterson, 152 Miriam street, June 14, a son.

To the wife of Joseph M. Lucchese, 774 Brunswick street, June 23, a son.

To the wife of John A. Mosman, 408 Winchester street, June 21, a son.

To the wife of Lawrence W. Long, Colma, June 20, a daughter.

To the wife of William F. O'Hare, Colma, June 23, a daughter.

OFF THE BLOTTER

Trouble with the city's water system, or sections of it, made a lot of work this week for the Daly City Police Department, to say nothing of the water maintenance men.

The break came at 1:30 a.m. last Friday, when a frantic woman telephoned the police about an "explosion" in front of her home. The blow-up turned out to be a break in a two-inch water pipe near her front porch. The pipe, which had been installed in about 1908, had finally rusted out at the seams.

More serious damage was done Monday when a water pipe broke in the rear of the pool hall at 6380 Mission street, flooding the hall and the two food markets below.

An attempted break-in at the Starway Restaurant was reported to police Tuesday morning. Some time during the night, vandals or would-be thieves cracked the half-inch-thick glass in the restaurant's front door.

A three-way, six-tube Airline portable radio was reported stolen Sunday from a car parked in a local service station. Leland W. Stephens, 784 Templeton avenue, owner of the car, said the radio had been taken some time between 7:30 and 11:30 p.m.

Janet English, 11, of 376 Winchester street, was taken to Junipero Serra Hospital last Saturday for treatment of a fractured wrist. Her wrist was broken when Janet fell from a tree in her back yard.

The father of a 10-year-old San Francisco boy was out \$15 Sunday when his son, ill-informed on the purpose of those little red boxes on street corners, turned in a false alarm. The boy was caught running away from the scene by Officer August Benassini, who unfortunately for the boy, was making his rounds in that vicinity.

To the wife of Stanley A. Peterson, 152 Miriam street, June 14, a son.

To the wife of Joseph M. Lucchese, 774 Brunswick street, June 23, a son.

To the wife of John A. Mosman, 408 Winchester street, June 21, a son.

To the wife of Lawrence W. Long, Colma, June 20, a daughter.

To the wife of William F. O'Hare, Colma, June 23, a daughter.

Dorothy Leahy, John Coleman Wed In Church Rites

Miss Dorothy Leahy, daughter of Mr. and Mrs. Bert Leahy of 200 Vista Grande avenue, added her name to the long list of June brides Friday when she changed her name to Mrs. John Coleman at Our Lady of Perpetual Help Church.

The wedding was performed at 7 p.m. by the Rev. William Stewart. Bert Leahy gave his daughter in marriage.

Gowned in ivory satin with a gathered skirt and long train, the bride carried a shower bouquet of white bouvardia centered with a lavender orchid. Frothy white lace peeked from beneath her skirt and bordered her fingertip-length veil, while a heart-shaped crown of stiff ivory lace held her veil in place.

Miss Jeanne Bacigalupi was maid of honor, wearing a dress of pink net with fitted bodice and gathered hooped skirt. Similar dresses in blue and yellow were worn by the bridesmaids, Misses Frances Hopkins, Betty Ann Minnini and Sheila Cunningham, and Mrs. Roddy Dawe. Their bouquets and headpieces were fashioned of baby carnations to match their dresses.

Standing with the bridegroom was William Chalmers, while Pat Urquidez, Dorey Rose, Richard Leahy and John Garcese showed guests to their seats. Lorrie Machado, three-year-old flower girl, was formally gown in pink.

Approximately 200 guests spoke felicitations to the bride and bridegroom at a reception after the wedding at the Coleman residence on Crocker avenue. The hostess, Mrs. John Coleman, mother of the bridegroom, was frocked in pink with black accessories. Mrs. Leahy chose a dress of black with matching complements. Both wore orchid corsages.

After a honeymoon in the northern part of the state, Dorothy and John will make their home in Daly City.

The bride, who was graduated last month from Jefferson High School, is employed by the telephone company. The bridegroom, also a Jeff alumnus, is a veteran of three years' service in the army. He is employed as a carpenter.

Mr. and Mrs. H. S. Bliss To Move To San Jose

Mr. and Mrs. H. S. Bliss, well-known Daly City composers, are moving this week to San Jose. The Blisses, who make their home at 6396 Mission street, returned last Sunday from a two-week stay in Hollywood where they introduced their original compositions at NBC, Republic, Universal, and several publishing houses.

Mrs. Bliss, a resident of Daly City, for many years maintained a hairdressing business in this community. Bliss is employed by the California Department of Architecture.

That's what we're putting to work in new telephone facilities for the West.

Where does the money come from?

1. Making the telephone system grow takes money and lots of it...we're spending an average of half a million dollars every day for new facilities in the Pacific West. Some might think all this money comes from telephone bills...or from profits. But that's not the case in this business.

2. This lady, for example, may have furnished the money for that pole above. For we must get money to grow from investors who put their savings into the business. The bills you pay for payroll, taxes and other operating costs — and for small "wages" for the money of investors.

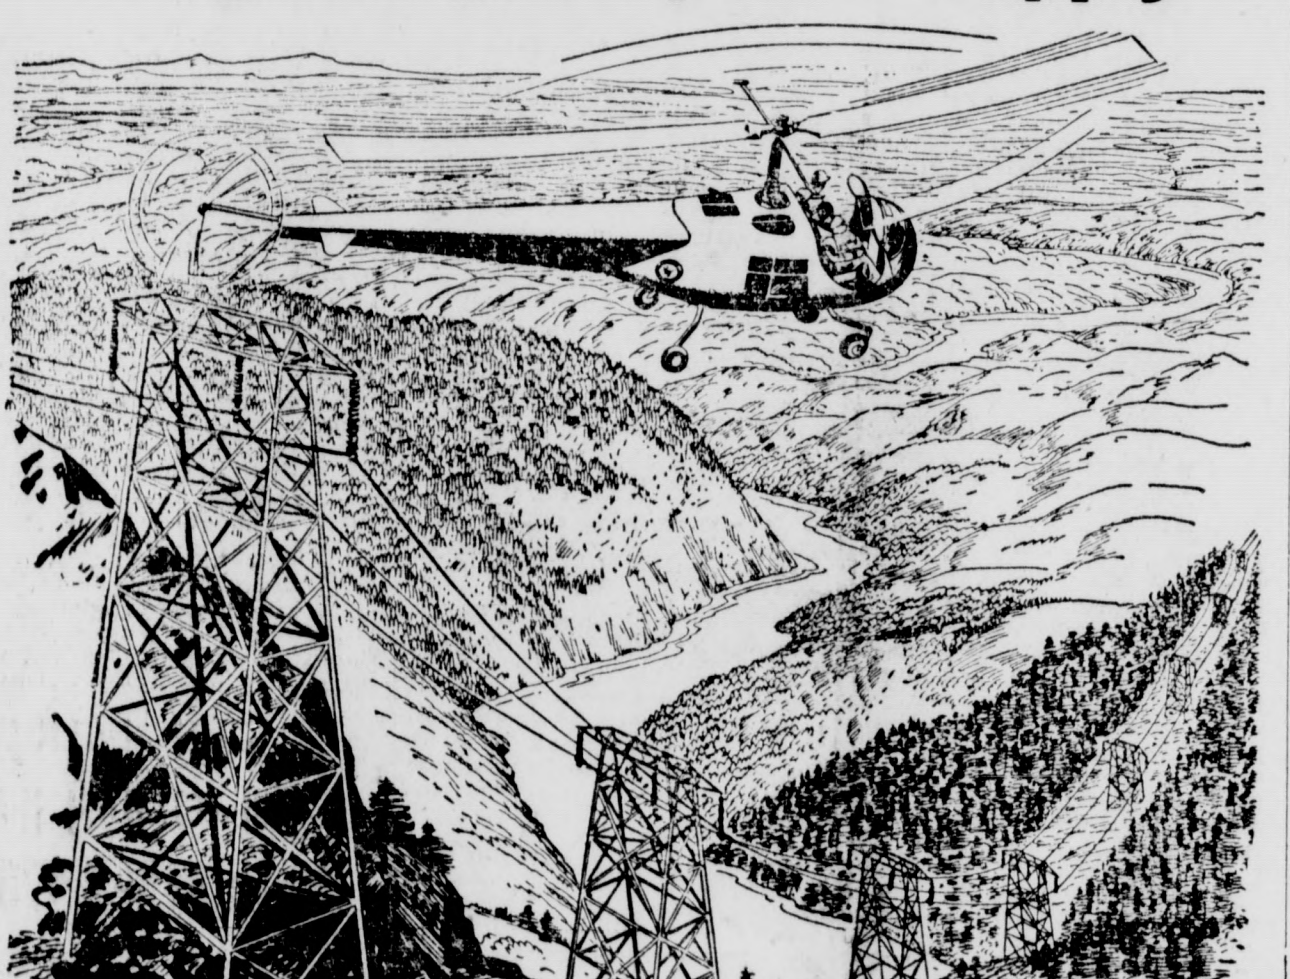

3. Somebody must put up a lot more money for each new telephone we add today than was necessary before the war. Costs have gone up for us as they have for you. As we put in more and more new telephones, the expensive new portion becomes a larger part of the whole system.

4. Getting telephones to people who are waiting is our big job. And we can attract new working dollars and keep up the installation pace only if we sell our services at adequate prices. These prices must cover operating costs and leave a moderate profit, too...the profit that pays our investors for the use of their savings.

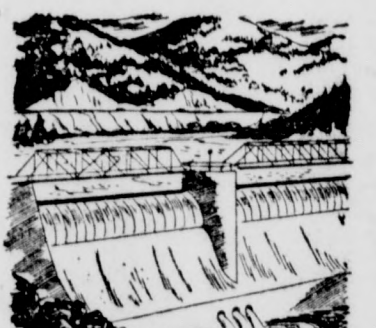

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

How trouble shooters take wing to guard your power supply

They take the sky-way...these modern power-patrolmen. Helicopters enable our high-line trouble shooters to find line breaks or make routine checks of transmission facilities much more efficiently than on foot or skis. For the versatile helicopter can hover near a tower for detailed inspection of insulators and equipment...land in normally inaccessible areas...or dart at 80 miles an hour along the line to spot possible breaks caused by storms or falling trees.

FOR THE RECORD

P.G.E. ALREADY HAS A GENERATING CAPACITY 176% THAT OF HOOVER DAM

52% GREATER THAN GRAND COULEE DAM

SHASTA DAMS PUT TOGETHER

OUR CURRENT CONSTRUCTION PROGRAM WILL ADD NEARLY TWO MILLION HORSEPOWER TO THIS TOTAL

MORE THAN 1/3 OF THIS NEW POWER WILL BE SERVING YOU IN LESS THAN A YEAR — WE'VE GOING FULL SPEED AHEAD

There are 9,000 miles of transmission lines in P.G. and E.'s network to keep helicopters busy. And they have a still bigger job ahead as we expand the system to serve Northern and Central California's growing needs.

From more than a hundred reservoirs and lakes and 74 generating plants comes the electricity to supply this vast network. More plants are on the way, joining P. G. and E.'s post-war power-parade costing over \$400,000,000.

Work never stops on our power-building program
